

Find the following limit. If the limit goes to ∞ , write “inf”. If the limit goes to $-\infty$, write “-inf”.

$$\lim_{x \rightarrow \infty} [e^{-3x} \cos(3x)]$$

Find the following limit. If the limit goes to ∞ , write “inf”. If the limit goes to $-\infty$, write “-inf”.

$$\lim_{x \rightarrow \infty} [e^{-3x} \cos(3x)]$$
